9th Floor Consulting

ABOUT US

9th Floor Consulting, founded in 2017, is a premier provider of innovative solutions for defense and civilian organizations. With deep experience in system implementations, project and program management, earned value management (EVM), solution architecture, GenAI, cybersecurity, and cloud storage and architecture. Our experienced team brings extensive industry expertise and deep technical knowledge to deliver innovative, efficient, and cost-effective solutions tailored to our clients' unique needs. We ensure consistent and reliable project outcomes by leveraging industry best practices and cutting-edge technologies. Our customer-centric approach prioritizes understanding and meeting client expectations, while our elegant structure allows us to respond more quickly than larger competitors. Committed to excellence, we strive for the highest quality standards in all our deliverables
